Announcements

Den Support: Pack 503's leadership has decided to provide den support to each den. Each den will receive \$10 per scout for this year to be used for den activities. Den Leaders can contact Earl Dorsey to receive your financial assistance.

Jingle Bell Junction:

Pack 503 will be participating in Prairie's Jingle Bell Junction

in early December. Each Den is encouraged to purchase arts and crafts for their scouts to assemble, decorate, paint, etc. The crafts will be purchased at Jingle Bell Junction by Prairie students. Dens will be reimbursed for all expenses (craft kits, glue, paint, etc.). An example of some of the available crafts can be found on the next page. Please coordinate so that you have time to assemble prior to the 1st of

December. Consult your Cub Scout Handbooks for the many different achievements that tie into this opportunity. The pack expense reimbursement form can be found on the pack website.

Special Note: When making purchases, wherever possible, use the tax exempt letter (available from Earl Dorsey) so we don't pay unnecessary sales tax.
