Pack 503

1. Information and signup forms are now available on the website for the winter campout in St. Charles. Dec 6-7. If this is your first campout or you missed the spring campout chances are we need you to supply new Class 1 medical forms. Class 1 medical forms are required every year. The forms can be found on the website. All forms and payments are due 12/1.

2. Toys for Tots boxes will be made available at Prairie starting December 1st.

3. You all should have wrapped up your popcorn sales, deliveries and have provided your forms and money to Mr. Amend by now. If not, please finish as soon as possible.

4. Thursday, November 20th at Prairie we will celebrate another successful popcorn fundraiser for the Pack. Thank you to everyone for your hard work. And thank you Mr. Amend for letting us use your garage for Popcorn Central and keeping track of all the sales.

We should have sign up forms soon on the website for the Field Museum Overnight.

Please read the [Pack 503 Cub Scout Rules](#) found on the website. We want every scout to be respectful of others, mindful of their environment and share in all of the opportunities that Scouting has to offer.
